How many roads most a man walk down
Before you call him a man ?
How many seas must a white dove sail
Before she can sleeps in the sand ?
How many times must the cannon balls fly
Before they're forever banned ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

How many times must a man look up
Before he can see the sky ?
How many ears must one man have
Before he can hear people cry ?
And, how many deaths will it take till he knows
That too many people have died ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

How many years must a mountain exist
Before it's washed to the sea ?
How many years must some people exist
Before they're allowed to be free ?
And, how many times can a man turn his head
Pretending he just doesn't see ?
The answer my friend is blowin' in the wind
The answer is blowin' in the wind.

Who am I?

Hi, my name is Jason Brubaker and I have been working on a graphic novel called **reMIND** since 2006. I'm in the process of working on the final chapter which will complete the full 300 page story.

What is reMIND?

reMIND is an all ages sci-fi about faith, underwater lizard-men and brain transplantation. I was inspired by comic artists in the 90's when I refined my drawing style and then was influenced by Miyazaki's movies and storytelling over the last decade.
